# Key Design Components

- Repeated Baba Is You themed tile background.
- Navigation buttons look like buttons from the game. (Blue/Pink)
- Links to websites are pink.
- website uses Verdana font for general text.
- website uses Baba Is You font for header and section text.
- All website assets are .gifs to provide a similar aesthetic to the video game.
- Text and objects from the game referenced in general text use their game sprites to limit confusion between Text and Objects
- Level images are clickable and outlined in blue that changes to pink.
- General background color is off-Black (8,8,8).
- Texted is spaced out to ensure consistant vertical spacing when including in-text images.
